ABOUT BROKE YOUR HEART

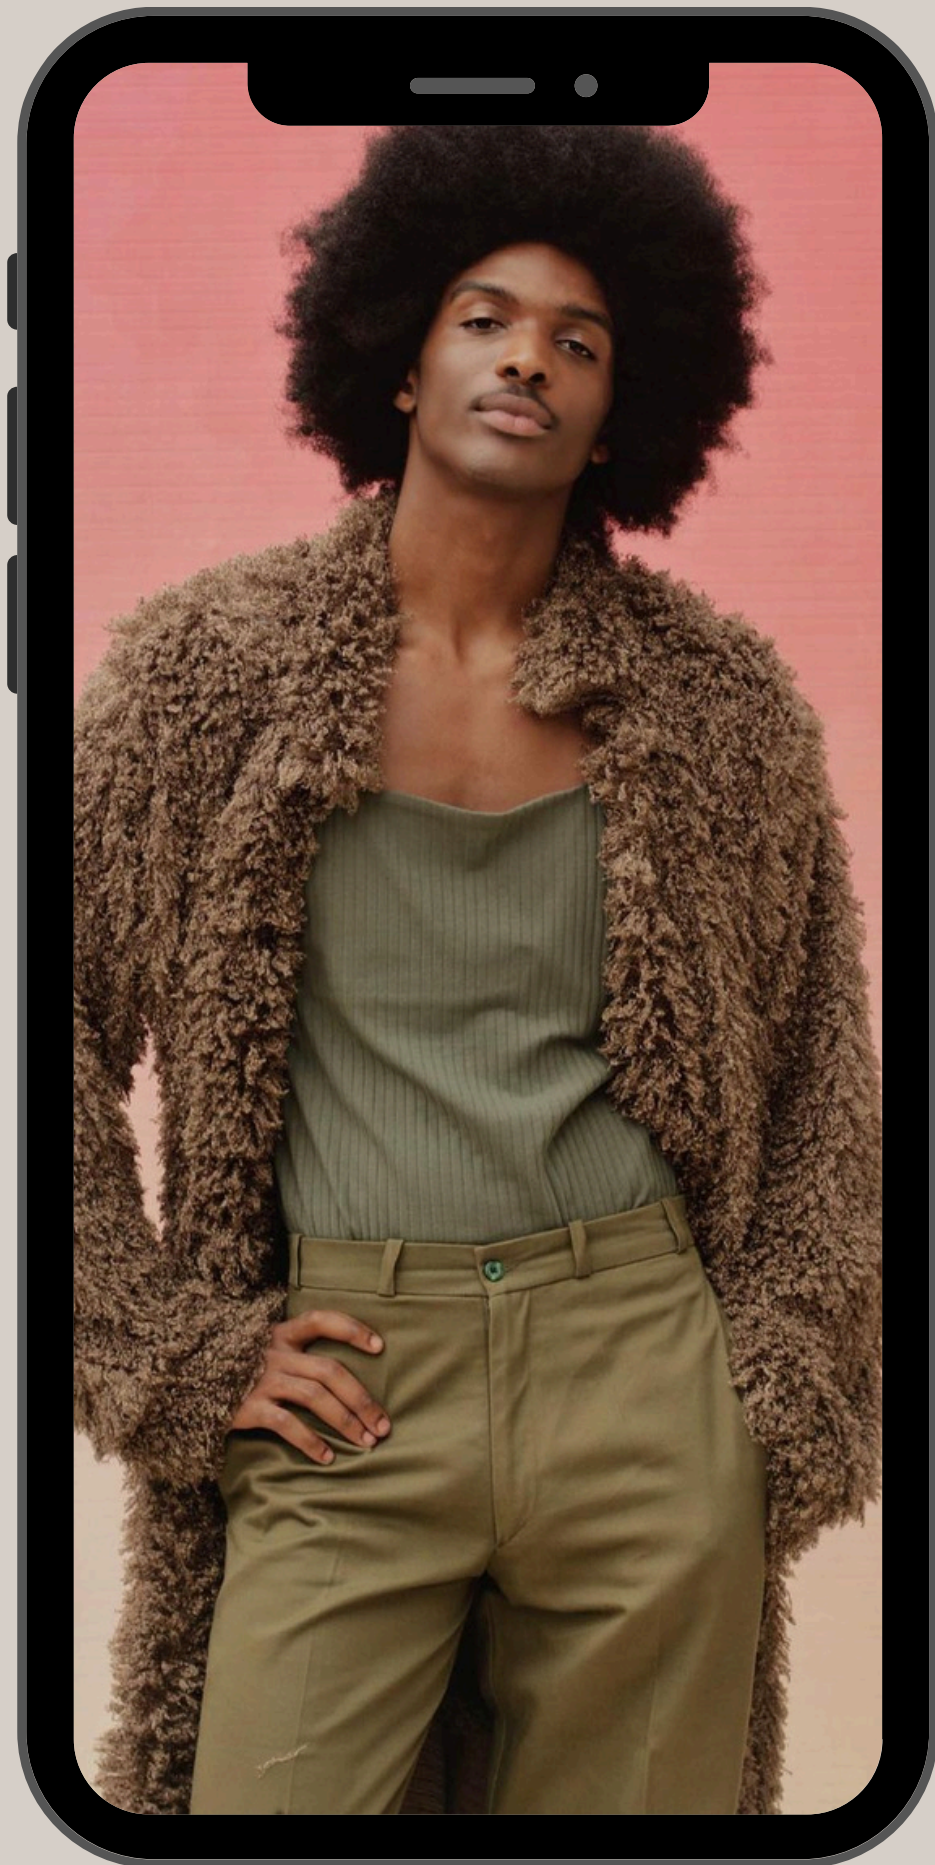

This track is a heartfelt blend of R&B, Afro, dance, and alte. It captures the raw emotion of heartbreak while offering a rhythm that helps you groove through the pain. It's the kind of song you'd listen to in the shower every morning after a breakup —intimate, soulful, and cathartic. With its atmospheric production and dynamic energy, I think it would fit perfectly on playlists like Late Night Feels, Heartbreak Hits, or R&B Vibes.

I'm actively promoting the track through live sessions, and social media campaigns. If you have a moment, I'd love for you to give it a listen. Here's the link:
